

UMA & JABRA

UMA and Jabra have partnered to help transform the workplace and adapt to the changing needs of the workforce

IN A NUTSHELL

UMA is a workplace technology SaaS platform that helps you to derive greater benefits from your Jabra devices

A FEW OF UMA'S BENEFITS

CONNECT, MANAGE & SUPPORT DEVICES

Manage all your Jabra devices in one place on the UMA dashboard

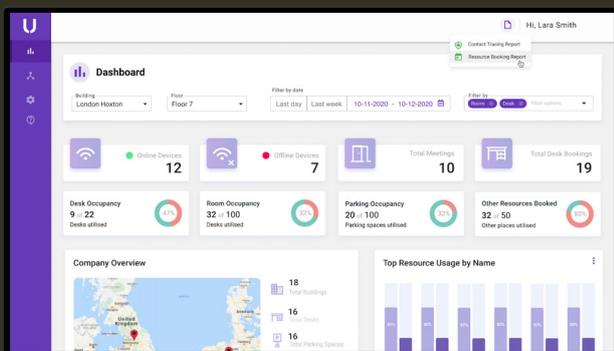

POSITIVE MEETING CULTURE

Auto-book rooms by simply walking in and release after in the event of a no show

IMPROVED ANALYTICAL INSIGHT

Live occupancy counting and management using Jabra PanaCast

Display real-time and historical resource utilisation and occupancy analytics from Jabra PanaCast in UMA's dashboard

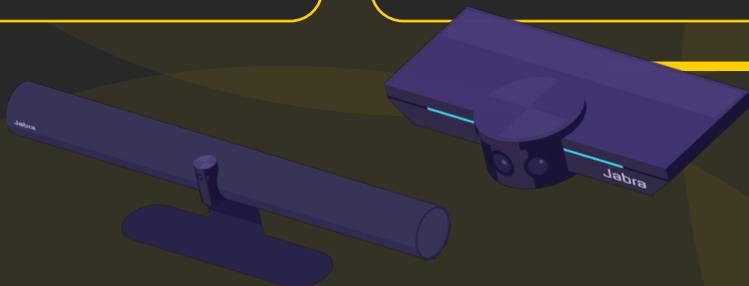

The 180 degree field-of-view is unique to the Jabra PanaCast camera and enables accurate occupancy analytics

Remotely control and check the status of your Jabra devices

PRIVACY FIRST

Anonymous room occupancy data from Jabra devices feeds real-time information into the UMA dashboard.

START YOUR FREE TRIAL OF UMA TODAY

Get started with a free trial of UMA - contact your Jabra account manager for more information.
